

Media Release – For Immediate Distribution

Rose Gums launches new packages

The multi award winning Rose Gums Wilderness Retreat has launched a series of packages designed to showcase the versatility and variety of experiences on the Cairns Highlands and the Tropical North.

The first of the packages involves the stunning Green Island Resort. Located just 45 mins off the coast of Cairns, Green Island is Cairns' closest reef destination. The package that has been developed includes two nights staying in an Island Suite at the resorts 46 room resort, breakfast and a trip for two to the Outer Barrier Reef with Great Adventures, transfers to and from the island from Cairns and 2 nights at Rose Gums Wilderness Retreat inclusive of all meals. This package is a classic combination of the regions two icons the Great Barrier Reef and the World Heritage Rainforest.

The second package to be launched is a blend with one of the Cairns Highlands most unique experiences. Jabiru Safari Lodge is located within the stunning wildlife haven of the Mareeba Wetlands. The wetlands are over 2000 ha in size and is home to some of the regions most stunning birdlife. Accommodation is provided in deluxe safari style tents with the package including two nights at this amazing reserve, all meals, two safaris into the wetlands as well as two nights at Rose Gums Wilderness Retreat with all meals included.

A third package is currently under development and will be launched soon.

In yet another development for Rose Gums, a series of redesigned maps has made travelling to the retreat even easier for self drive travellers. The new maps can be downloaded by [clicking here](#).

Rose Gums Wilderness Retreat is a 9 room boutique accommodation property located adjacent to the World Heritage Wooroonooran National Park, just over 1 hour from Cairns, on the Cairns Highlands. Accommodation at Rose Gums is in beautifully appointed one and two bedroom treehouses, all set individually within their own piece of rainforest offering total privacy to guests. The property boasts an onsite restaurant, 9km of walking trails, it's own private swimming creek and privately guided bird watching tours.
