

Luxury Encounters with Galaxy One – New Product

Launched in 1996 and extensively refitted in 2006, MY Galaxy 1 is a 26 metre luxury super yacht based in the stunningly beautiful area that is Tropical North Queensland. Sleek, sophisticated and superbly appointed, Galaxy 1 is designed for indulgence and will satisfy the most discerning traveler.

Permanently berthed in Port Douglas, Galaxy One is available for a maximum of 12 people for day charters to the Great Barrier Reef. Alternatively, sleeping 6 passengers comfortably, Galaxy One is perfectly designed for extended multi day cruise itineraries aimed at exploring and experiencing one of the natural wonders of the world.

Designed over three decks, Galaxy embraces all that is unique about the Tropical North. Al fresco dining, prepared by Galaxy's on board chef, canapés and sunset drinks on the forward deck, or relaxing on the sunset deck, Galaxy will be a highlight of any itinerary. Interior appointments of Galaxy include an air-conditioned saloon deck and formal dining area as well as three staterooms all with their own ensuite.

In preparation of it's introduction to the wider tourism industry, Galaxy has designed a number of specialized itineraries that are intended to offer a very special encounter with Tropical North Queensland. All of these itineraries are contained in Galaxy's new brochure which is attached to this release.
